

Installing Required Software

- i. Go to <http://www.maryville.lib.il.us/>
- ii. Click on OverDrive Picture, or go to <http://library2go.info>
- iii. On the left navigation bar under "New to Digital Books". click "Quick Start Guide".
- iv. Follow the onscreen instructions to download and install the required software:
 - a. Adobe® Digital Editions
<http://www.overdrive.com/partners/redirects.asp?product=adobede>
 - b. OverDrive Media Console
<http://www.overdrive.com/partners/redirects.asp?product=omc>
- v. Open the newly installed Adobe Digital Editions.
- vi. Authorize Adobe Digital Editions using an Adobe ID.
 - a. If you don't have one, create one
http://www.adobe.com/go/getadobeid_en
 - b. This allows you to download and read DRM-protected eBooks on multiple computers and transfer them to supported eBook devices.

Downloading eBooks to a Supported Reader

- i. Connect your eBook reader to the computer.
- ii. Go to <http://www.maryville.lib.il.us/>
- iii. Click on OverDrive Picture, or go to <http://library2go.info>
- iv. Click "Sign In" in the upper right corner.
- v. Select "Maryville Community Library".
- vi. Enter your "library card number" and "pin number".
- vii. Select an "ePub eBook" or a "PDF eBook" for download from the online collection.
- viii. Proceed to checkout.
- ix. Upon checkout you will notice a "Download" button below your item.
 - a. Downloads can also be found by going to "My Account" in the menu bar and selecting "Items Checked Out".
- x. Download the file to your computers desktop or select open and choose "Adobe Digital Editions".
 - a. If you downloaded the file to your desktop, open the Adobe Digital Editions program and the drag the file from the desktop into the Adobe Digital Editions window.
- xi. Now click the button in the upper left hand corner which says "Go to Library View".
- xii. Find the eBook you wish to transfer to your reader on the list to the right and then click and drag the eBook to the name of your reader at the bottom on the "Bookshelves" list on the left.
- xiii. Your eBook should now be copied to your eReader.
 - a. Each eReader stores the books in a separate location but typically they can be found under the file folder "Digital Editions" and file name "Book Title" on the device.
